**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer who supports broadband competition. There are only a few providers available in San Francisco and having a number of ISPs would ultimately benefit the consumer by the ensuring fair market rates. I have fiber internet with a local service provider and opted for this service over major carriers due to poor customer service from Comcast.
